

Ocean Deep

D G
Tossed and turned
I look at You through crooked seams

D G
Found swimming
I splash around You loving me

D G
So caught and known
A thousand hopes drawing me deep

C
Deeper than I can see

G/B C
Your love
D
Is an ocean deep and strong

G/B C
Your mercy
D
Like a river fierce and long
G/B C D
You've captured me in this current's mystery

C
As I am losing me
...in the deep

Torn and worn
Reconciled to You and me
Grown and sworn
Where else on earth would I go?
Drowning
In the deep the dying me
Finds life in Your sovereignty
