G C G C
You alone are my refuge
G C Em G
As the world around me falls apart
G C G C
You alone are the Almighty God
G C Em G
My shelter in the storms of life

C G
I will sing and lift my voice
C G
To You alone, my glorious

G C G C
You alone are the King on High
G C Em G
My desire and my life
G C G C
Let my prayer be like the sweetest incense
G C Em G
My hands held high a sacrifice

C G
Ho-ly, my glorious
C G
You are ho-ly, my glorious
