G

You are so faithful
You save me from myself
 My fears and my shame
You have rescued me
And You have called my name

Em7 D/F# C D
To be forever drawn to You

G C
Utterly torn and silence worn
D C
Twilight down to sunrise morn

G C D C
You captivate me

G C
Wilderness and mountain top

D C
River rage to standing pond

G C D C
You captivate me
